

TKL™ Pumps

## Local Capabilities, Global Support

### Dear Customer,

Our services to you do not end with pump sales. Our experienced team located throughout Australia and New Zealand is quick to respond to your needs.

### Do you need help with any of the following?

- ✓ Pump installation supervision
- ✓ Site commissioning services
- ✓ Advice on recommended Start up and running spares
- ✓ Operational spare parts
- ✓ Fitting spare parts for you
- ✓ Certifying skid installation and grouting
- ✓ Certifying pipe strain free installation
- ✓ Laser alignment services
- ✓ Vibration analysis and bench marking
- ✓ Condition monitoring
- ✓ Pump repairs and overhauls
- ✓ Re-rating & material upgrade to suit changed conditions
- ✓ Training services, either general or site-specific pump knowledge
- ✓ Long Term Maintenance contracts
